Dear Ms. Creecy:

Congratulations! After reviewing your application, we are pleased to inform you that your company qualifies for certification as a Women Business Enterprise with the City of Fort Wayne. Your company will be listed in the City's EBE/MBE/WBE Directory. Contractors that do business with the City on federally-funded projects will get credit towards the city's MBE/WBE participation goal by using your company.

Your certification is valid until **May 17, 2025** but is subject to revocation if there is change in ownership, operational and/or managerial control of the company or just cause is determined through investigative procedures. Please make sure you report any change in ownership and/or control of the company to the Vendor Compliance Department within ten (10) days of said change. At the end of one (1) year, you will be required to re-apply for certification if you wish to continue doing business with the City as a WBE.

Thanks for your interest in our program. Please contact me at 427-2445 if you would like to set up a time to come in and discuss our program and/or opportunities your business may have to perform work on City contracts.

Sincerely,

A handwritten signature in cursive script that reads "Jessica Bucher".
